public, just in a different fashion. It is an honor to not only be a part of the process, but to make sure the process works by being impartial, prepared, and dedicated.

17. What qualities do you believe are most important in a judge? Explain how you have demonstrated that you possess those qualities.

A judge must be impartial and neutral. Political, personal, and social views must come second to the law. A Judge must lead by example when it comes to preparedness, demeanor, and respect for the litigants. I strive every day to fit this description. I know what it was like to be a lawyer appearing before an ill-prepared, tardy, and intemperate judge. I will never be that judge.

18. Why do you believe that you are the best candidate for the seat you are running for?

I have the experience as a Judge and as a trial lawyer that cannot be matched by my challenger. I am a graduate of Judicial College, Advanced Judicial College, and have successfully completed many hours of Continuing Judicial Education. I have been the Chairperson of the County Canvassing Board and worked with the Supervisor of Elections overseeing the March 2016 Presidential Preference Primary Election. I am endorsed by The Hispanic Vote, AFL-CIO, P.B.A., F.O.P, Broward Professional Firefighters, and The Puerto Rican Bar Assoc.

28. If you are seeking election or re-election to a criminal court, discuss your view of plea bargains and when they should and should not be accepted. N/A
